### SOLDIERS MONUMENT

Fayette W. R. C. Members Give Reasons Why Fulton County Should Erect a Memorial.

Nearly two years have passed since Fulton county began to solicit funds for the erection of a monument to be placed on the county court house grounds at Wauseon. By some misunderstanding or want of interest the work has not been accomplished. Perhaps the people generally do not know of such an effort. We want every man and woman living in Fulton county to know of this movement and to give them an opportunity to have a part in this work. It belongs to each of us and let no one of ours bring a reproach upon the good name of Fulton county.

Many years have gone by since the men of the county went to the front and we have in a measure let time dim the memory of that great conflict. The longer we wait the more effort we must put forth to accomplish that which has been due since the remnant of the army marched back to their homes. Must we eventually let the memory and deeds and sacrifices and lost opportunities of our heroes pass into oblivion with no memorial in remembrance of them. They who preserved the union of the states and gave to us a free and united land to live in of which we now enjoy.

Has ungratefulness and disloyalty a selfishness set into our lives and aware and unnoticed and dwarfed the power of estimating the value of past blessings.

It is desired by the association Board to have this memorial placed and unveiled next May. It will require the united action of all necessary arrangements completed by that time. Talk with your neighbors about what is being done, perhaps some of them are subscribers to the county newspapers. Tell them we must not let Fulton county fall behind all the other counties of the state in erecting a memorial to the memory of those who sacrificed so much for us.

Give five dollars or one dollar or less according to your means in compensation and appreciation of the heritage bequeathed to each of us by those brave men who marched to the front. Please go to your home here and deposit your offering, your name and the name of your township and of the county, and the name of the offering are all deposited each township will have the amount of their appropriation printed in the different newspapers. At the unveiling of the memorial what a satisfaction it will be to each of us to know that we had a part in helping to free Fulton county of this obligation. Surely we will not neglect longer the opportunity of keeping green the memory of those silent heroes of ours.

SWANTON WEDDING  
IN WAUSEON  
Last Friday in the Probate Court room a real Swanton wedding occurred when Rev. Davenport, pastor of the Methodist church of Swanton, united in the bonds of matrimony Miss Edna Fleming and Mr. Vernon Robasser. The bride and groom were accompanied by Rev. and Mrs. Davenport, the bride's sister, Miss Opal Fleming and a gentleman friend and the groom's sister, Miss Flossie Robasser and Mr. William Weir. After the ceremony Mr. and Mrs. Robasser were escorted by the party named above to Toledo from which point they will start on their eastern trip. This being a Swanton wedding our general recorder and his wife were of course present at the ceremony. Mr. and Mrs. Reed's negligence in notifying this office we failed to have the necessary rice and old shoes at hand, to properly salute the bride and groom, and the office of the recorder was to the car. Just the same we extend our hearty congratulations and hope they will never be sorry it happened.

BRYAN SUFFERS FIRE LOSS  
The Kampf business block located on the east side of court square, Bryan, was almost entirely destroyed by fire last Monday morning. The fire was discovered at about six o'clock in the rear of that part of the building occupied by the Wilhelm Furniture store. The fire proved to be a stubborn one and before the firemen could control it damage to the amount of \$20,000 had been wrought by the flames. The heavy losses will fall upon the owner of the building, Wilhelm E. Son, furniture stock, E. Krone, jeweler, and the Calvin Hardware Co. ### HIGH SCHOOL NOTES

Back again!  
Hoorah for vacation! It commences at 3:30 this afternoon and lasts until 8:30 Monday morning, Jan. 3.

Class meetings are scarce and visitors rarely appear.  
Basket ball is booming. Daily practice and Coach Baker are putting the team in fine shape. Tonight they go to Montpelier. There is an attempt to schedule a game with the alumni to be played during vacation. In all, about ten games are scheduled now and yet that is not enough. Go to it boys. Remember the record of the 12-13 team. "Go, thou, and do like-wise."

Rhetoricals come this afternoon. All visitors welcome. Section II has a unique program.  
A regular meeting of the debating and literary society was held Monday evening. The next meeting, January 10, will be open. The question is, "Resolved, that primitive man had more freedom than modern man. The try-out for the teams will come about two weeks after vacation. The question will be given out so that the debaters can work on it during vacation.

The first semester examinations come the third week in January.  
A few new classes will be started at the beginning of the second semester. Probably you know there are only two terms this year and consequently only two final exams.

The great annual Fulton-Williams County Inter-Scholastic Field Meet will be held again at Wauseon May 8th, 1914. Leland Biery represented our student body in the conference of delegates at Archbold. It was voted to add oratory to the list of events. This event will be held in the evening at the tabernacle and if half of the people get in to hear it'll be surprised.

Of course Wauseon High isn't any third class school and we don't propose to get third again in that field. The public spirited citizens of this town built that athletic park for us to win on, to uphold the reputation of this town and we're going to make use of it to the hilt.

Of course, you have heard about the plans for the disposal of the tabernacle. We have also, in fact, there is a chart covered with figures up here as a testimony of Monday evening's work. Wednesday morning 600 of the necessary \$750 had been collected. This sum buys the tabernacle and every nail it in. Next week the seats in the middle row will be removed and a good basketball floor put in. Wednesday evening a delegation of boys accompanied Professor Biery and Mr. Altstetter to the tabernacle to investigate the situation. Many of these same boys will help lay the floor next week. The tabernacle will then be used for our meetings, debates, basketball games and entertainments as well as those of other organizations. This will supply a long felt need of a large public auditorium and basketball hall.

The building will be permitted to stand until after the Chautauqua next summer after which we hope that the lumber will be used in erecting a permanent building. The responsibility for the undertaking rests largely on Professor Biery, Mr. Altstetter and Mr. Holman; they were the first to open negotiations with the church board and to top it off they agreed to take the building themselves. Then Monday evening a number of our public spirited citizens took the opportunity to share some of the responsibility and joy of doing a good thing for Wauseon and the W. H. S.

Not Beyond Help at \$7.  
Sleep-disturbing bladder weakness, stiffness in joints, weak, inactive kidney action and rheumatic pains, are all evidence of kidney trouble. Mrs. Mary A. Dean, 47 E. Walnut street, Taunton, Mass., writes: "I have passed my 37th birthday, and thought I was beyond the reach of 'Foley's Kidney Pills'. They have proved most beneficial in my case." Fink & Haumesser.

"Adapting the Phrase."  
"Mr. Browne is a charming and a scholarly young man," declared a Chicago lady who was insisting in print on her right to select her own husband. From which we infer that it will soon be proper to refer to Mr. Browne as "a husband and a scholar."

Horrible!  
"Mr. Green's youngest son," said Mrs. Tuckermore, "hasn't done a stroke of work for six months. Just living on his father! I'm afraid he's going to be nothing but a parasite."

Too Much for Him.  
Howell—"Did your boy pass all his entrance examinations?" Powell—"He was conditioned in the college yell." Woman's Home Companion.

We will take pictures up to and including Dec. 21st, and finish them for Christmas. We guarantee not to disappoint any one.

Studio will be open from 9 to 4 Sundays until Christmas.

Open Sundays, 1 to 4 p. m.
